

OXLan -3- (2008) Rules

General:

- Conduct yourself in a respectable manner, and respect others
- An OXLan waiver MUST be signed and in a core staff members' possession before the LAN party. You will not, under ANY circumstances, be admitted to the LAN party without a signed waiver. Participants under the age of 18 must have this waiver signed by his or her guardian as well. Again, no waiver, no admittance!

Gaming:

- Absolutely NO cheating, hacking, or bug exploitation. We reserve the right to judge what constitutes these infractions. Immediate removal from the venue will result if any of the aforementioned items are executed!
- Be nice, be respectful -- it's just a game!

Equipment:

- No touching, vandalizing, or any other form of physical contact of our servers, network, and networking equipment is allowed.
- Our systems are expensive and took a long time to set up. If you are caught doing any of the above mentioned things to our equipment, we will assume you are attempting to break them or disable a service of the party. YOU WILL GET KICKED OUT OF THE PARTY, NO QUESTIONS ASKED.
- Your equipment (computer, keyboard, mouse, etc.) is your own. Your fellow LAN Partier's equipment is his or her own. You have no right to touch their equipment in ANY way. DO NOT DO IT.
- OXLan -3- (2008), its staff members and Exopyx LLC hold absolutely no responsibility for lost, stolen, damaged or otherwise maimed possessions. This includes, but is not limited to, Computers, Computer Accessories, monitors, personal audio devices, jewelry, etc.

Misconduct:

- No fighting, brawling, punching, scratching, kicking, or any other form of physical altercations. Fights will be broken up with force if necessary, and participants will be ejected from the LAN party.
- While friendly smack talking is encouraged, verbal abuse and belligerence is not. If you are not sure what the difference is between the two it is suggested that you keep your mouth shut. This can be grounds for ejection from the LAN party.
- No smoking inside the LAN Room or other non-smoking areas within the venue. Our LAN party is located near several exits, so if you feel the need to light up, exit, stage left.

Other:

- We reserve the right to judge and interpret fairly this rule set and deal consequences for such infractions.
- We reserve the right to use force as a last resort to bring fights to an end, or remove a participant from the party for possessing illegal objects or infracting rules multiple times.
- We reserve the right to deny refunds on registration payments except under extenuating circumstances as determined by Exopyx LLC. A registration payment, however, can always be transferred to another individual.
